

HPIDFGPP240

Face Material

weight	thickness	material
155 ± 10%g/m ² ISO 536	0.24 ± 10%mm ISO 534	A matte Polypropylene film for use in HP Indigo.

Applications

This product is an ideal choice for printing labels in HP Indigo, where full process color is used to add impact and/or functionality to the label.

The high ink holdout and quick drying provide for excellent clarity and density of printed graphics, making it the perfect choice for primary and secondary packaging labels in retail, manufacturing, health care, and logistics etc.

The above suggestion, application, and elaboration are not intended as the guarantee of Jinya. All sales of Jinya products shall be tested by customer in the final environment to confirm compliance with the requirements of the use of environment.

Conversion/printing

The product is designed to be converted and by all conventional converting technologies.

Shelf life

One year when stored at 23 ± 2° C at 50 ± 5% RH
